

Nehemiah: The Measure of a Man, Part 3

“What Kind of Worker Are You?”

Qualities of Nehemiah’s Builders:

1. Not too big for the job
2. Do more than is required
3. Personal Responsibility
4. Attitude

Attitude Questions:

1. Does the job have to feel meaningful to have meaning for you?
2. Is it possible that I am blinding myself to the joy of my job?
3. Is it essential that others think what I’m doing is important as long as God and I both know that it is?
