

# Putting Feet To Your Faith

Invite a sister from your team and have coffee together, this could be in person or on zoom. Cafézinho is a great place, and they have plenty of room so you can meet safely, they even have an outside area!

Something fun you could do when you meet:

Come up with at least ten ways you can make a difference for God together, then put them in a jar or baggie and pick one. You could do it together after coffee. If that's not possible, set a date on the calendar to do it!

Here are a few ideas to get you started:

1. Think/pray about someone you think could use a blessing. Pitch in 10 bucks each then go shopping together and find items that you think they would like. Put them all in a cute bag or box with a special note or prayer of encouragement and drop it off together. You could also do this secretly, just put the gift on the porch, knock and run!
2. Join the Grace Prayer team and meet together over zoom or in-person and pray over the prayer requests!
3. Share your ideas on how to put feet to your faith with us at [info@discovergrace.church](mailto:info@discovergrace.church) so we can pass your thoughts on to the other ladies!!
4. You and a sister from your team, invite a lady you don't know from another team to coffee. Let her know she can bring a friend if she likes and get to know each other.

Whenever we meet in a group of ladies that don't know each other that well, we have "get to know you" questions in jar or baggie, and take turns picking a question, answering it, and then passing it around. Its always been a lot of fun and gets the conversation going!

Here are a few questions to get you started:

1. If money was not necessary, and you could have any job in the world, what would it be?
2. What is your best childhood memory?
3. What do you feel most proud of?
4. What teacher in school made the most impact on you and why?
5. How do you spend your free time?
6. Who do you most admire in life?
7. What are your top three favorite books, and why?
8. What are you most afraid of?
9. What is your strongest quality?
10. What was your most embarrassing moment?
11. If you could witness any event of the past, present, or future, what would it be?
12. What is a skill you'd like to learn, and why?
13. How would your friends describe you?

When you've learned a little about each other, plan to do an outreach opportunity together. If you can't find one near you, create your own!! Ephesians 1:3-10
