UNFINISHED 1 YEAR CELEBRATION

Last year we shared the Unfinished vision we believe God put on our hearts for the future of Grace. We could not have predicted what was to come in the year 2020 but we stand today able to praise and give thanks to a God who is the great provider and a God who has all the answers. The UNFINISHED initiative continues on and will continue to act as a refining forge that will ignite our church into her next season of ministry in the Universal City area and around the world. If you have been here for this first season, we invite you to re-commit to joining us through the remainder of the initiative. If you are new with us, we hope you'll join us on this UNFINISHED journey as we seek and look for God to show up in ways that we cannot even begin to imagine!

PRIMARY GOAL

100% ENGAGEMENT

The primary goal of UNFINISHED continues to be first and foremost a discipleship initiative. We want to learn new things about God and ourselves. We are calling on every person in the Grace church-family to continue to invest in unprecedented ways to see God work powerfully here in our church, our community, and around the world.

JOIN US AS WE CELEBRATE WHAT GOD HAS BEEN DOING AND WHAT IS TO COME AS WE ENTER INTO THE 2ND CHAPTER OF THE UNFINISHED INITIATIVE.

- WE ARE UNFINISHED -

AS WE CONTINUE THIS UNFINISHED SEASON AT GRACE COMMUNITY CHURCH:

SECONDARY GOAL

INCREASED GENEROSITY

We are pouring all generosity into one fund.

This includes our general fund, facility upgrades, and advancing our influence beyond the walls of our church – here, near, and far away.

UNFINISHED PEOPLE. \$2 MILLION

Even in the midst of the chaos of this past year, we have been able to fully fund all ministry needs. We have experienced some incredible things including the highest number of people participating in groups during our 1st semester, and the ability to continue to provide groups in a brand new way virtually. We have been able to increase our online presence, seen 40 people baptized, help 17 families in need with \$8956 in assistance, and given \$7,500 to our community partners as they also minister to others.

UNFINISHED CHURCH. \$1.7 MILLION

The Kids and Student ministry space will be overhauled this coming year to ensure even greater levels of security and safety while maintaining ministry effectiveness and an atmosphere of excitement. Design meetings have concluded and our plans are currently in the permitting phase with the city and we expect to have a permit by the end of the year with construction soon to follow.

UNFINISHED INFLUENCE. \$150,000

We continue to have UNFINISHED ministry opportunities in our community and the world and we continue to work hard to press forward in these ministry opportunities.

- Over \$80k has been set aside for a future church plant in the San Marcos / New Braunfels area
- We are launching a Recovery Night @ Grace in January with Divorce Care, Grief Share, Abortion Care, and a pilot PTSD group. We will also continue to strategize and unite with local churches to meet the broader needs of the community
- In lieu of global mission trips, we continue to expand partnerships through virtual trips in Africa

TOTAL UNFINISHED GOAL: \$3.85 Million
