

# Easter

## DIY Invite Bags

Step 1: Grab some Easter invite cards

Step 2: Buy some plastic treat bags (sold in packs of 12 for around \$1!)

Step 3: Buy some plastic Easter eggs and fill with candy and/or small toys

Step 4: Go to [www.discovergrace.church/invite](http://www.discovergrace.church/invite) to download our “You’ve Been

Egged” handout. Print as many as you’d like!

Step 4: Assemble your bags! Include a handout, invite card, and as many eggs as

you want.

Step 5: The fun part: deliver your bags! Hand out to friends, coworkers, people

you meet at the store, hang them on your neighbors'  
doorknobs. Pray over

the bags...that God would use them to bring folks to  
church that need

Jesus need community, need love and healing.
